

## Candle Light 7w Milky

7w 230v LED Candle Light

Product Codes	E14cs-7w14cw
	E14cs-7w14ww
	E27cs-7w14cw
	E27cs-7w14ww
Power (watts)	7
Operating voltage	80-270v
Lamp cap	E14 / E27
Expected Life (hours)	30000
Light output (lumens)	500 (cw) / 480 (ww)
Colour temperature	6000k Cool White 2700k Warm White
Colour rendering index	80
Beam angle (degrees)	315°
Dimming range	Non-dimmable
Replaces : Incandescent	50w
Replaces : Halogen	N/A
Replaces : CFL	15w
Dimensions (l x b x h) wt	122 x 37 x 37mm (58g)

This high quality LED C37 Candle Light that is a replacement for a 80-270v incandencent or CFL C37 Candle and uses up to 7 times less electricity than it's retrofit alternative, comes with a 1 year warranty. The Warm White option of this C37 Candle closely replicates the light of a 50w incandescent whereas the Cool White more closely replicates a 15w CFL C37 Candle. This bulb uses 14 SMD 2835 Sanan LED chips and a frosted or milky lens to give a very even light spread throughout it's 315° beam angle. The transparent lens option more closely replicates an incandescent bulb with brighter light output. A flame tip design is available.

The life expectancy of this globe is 30000 hours and is CE & RoHS compliant.

A bayonet version is available subject to quotation.

This globe is VERY suitable as a replacement for light fittings requiring bright, side illumination, like ceiling and bulkhead lights, extractor hobs etc.
