This high quality LED G95 Globe Light that is a replacement for a 85-265v incandescent or CFL G95 Globe and uses up to 11 times less electricity than it's retrofit alternative, comes with a 1+ year warranty.

The Warm White option of this G95 Globe closely replicates the light of a 60w incandescent whereas the Warm White more closely replicates a 13w CFL G95 Globe

This bulb uses 6 Filament Sanan LED chips and a translucent lens to give a very even light spread throughout it's 345° beam angle.

The life expectancy of this globe is 30000 hours and is EMC, NRCS & RoHS compliant.

A bayonet version is available subject to quotation.
