This high quality LED PAR 30 (R80) Light that is a replacement for a 85-265v incandescent or CFL PAR 30 (R80) light and uses up to 8 times less electricity than it's retrofit alternative, comes with a 1+ year warranty.

The Warm White option of this PAR 30 (R80) closely replicates the light of a 70w incandescent whereas the Cool White more closely replicates a 27w CFL PAR 30 (R80)

This bulb uses 18 SMD 5730 Epistar LED chips and a translucent diffuser lens to give a very even light spread throughout it's 120° beam angle.

The life expectancy of this globe is 30000 hours and is CE & RoHS compliant.
