GU10 Down Light 4w Silver Edition

4w 230v GU10 LED Downlight that replaces a 30W Halogen

Product Codes	GU10s-4w4cw
	GU10s-4w4ww
Power (watts)	4
Operating voltage	85-265v
Lamp cap	GU10
Expected Life (hours)	30000
Light output (lumens)	275 (cw) / 260 (ww)
Colour temperature	6000k Cool White 3000k Warm White
Colour rendering index	>70
Beam angle (degrees)	60°
Dimming Range	Non-dimmable
: Incandescent	N/A
Replaces : Halogen	30w
: CFL	9w
Dimensions (w x b x l) wt.	49.8 x 49.8 x 60.5mm (45g)

This high quality LED Down Light that is a replacement for a 85-265v halogen or CFL Down Light and uses up to 8 times less electricity than it's retrofit alternative, comes with a 1 year warranty.

The Warm White option of this Down Light closely replicates the light of a 30w halogen whereas the Cool White more closely replicates a 9w CFL Down Light

This bulb uses 4 * 1w HP Sanan LED chips and a translucent diffuser lens to give a very even light spread throughout it's 60° beam angle. It is great for medium to low ceilings and over counter tops.

The NEW reduced length base now allows this cost effective versatile globe to be used in standard GU10 halogen fittings and other restricted length environments without adjustment or modification.

The life expectancy of this globe is 30000 hours and is CE & RoHS compliant.

A 12v version of this globe is available, see Datasheet MR16s-4w4.

This item is now End Of Range and great discounts apply
